

C63001
RJ11 Telephone Outlet Toolless Keystone Jack 4 pin

UTP 90o Toolless Keystone Jack

Specification

Description	CAT3 6P4C Type
CONTACT RESISTANCE	<20m ohms
INSULATION RESISTANCE	>500M ohms
DIELECTRIC STRENGTH	DC1000V(AC700V)No punctured and overflash phenomenon within one minute
Return loss	100MHz , > 15dB
Insertion loss	100MHz , > 14.4dB
Next loss	100MHz , > 19.4dB
Attenuation	100MHz , < 555ns
Main material	PC、Phosphor bronze
Pin	30-50"U"nickel plating inner side,surface golden plating
Work temperature	-10°C to 60°C
Storage temperature	-40°C to 70°C
MAIN Parameter	service life : more t mechanic han 750 times mating cycles
contact time	》250 times
allow cable diameter	0.39-0.42MM
